BOARD OF SELECTMEN
TYNGSBOROUGH, MA.

October 3, 2014

Dear Community Colleagues:

As a result of an increase in state funding available for the Massachusetts Rental Voucher Program (MRVP), the Department of Housing and Community Development (DHCD) has made available a limited number of mobile vouchers that Community Teamwork can issue to clients who meet the eligibility requirements.

The MRVP mobile voucher provides rental assistance to low-income families, individuals, and elderly persons who lease privately-owned apartments. A household pays at least 30 percent, but not more than 40 percent of its income as rent plus any tenant-paid utilities. The household income may not exceed 50 percent of the area median income.

The attached notice provides further information on how clients can obtain an application and eligibility requirements. We ask for your support and assistance in providing this information by posting the attached notice in your office or in an area that is visible to your consumer/clients.

We are directing applicants to download the application from our website at **commteam.org** or call our dedicated MRVP line to request an application at 978-654-5610 or visit our offices at 155 Merrimack Street, Lowell to pick up an application.

If you should need additional information or have any questions, please feel free to contact us at our regular number **978-459-0551** or by visiting our website at **commteam.org**

We thank you for your support and continued working relationship.

Sincerely,

Ed Cameron
