

The Board of Health received a grant from the Department of Environmental Protection and is now able to sell compost bins for the reduced price of \$30.00 each. The size is adjustable ranging from 12.5 cu. ft. up to 24 cu. ft. The bin is 32" in height. They may be purchased at the Board of Health office or by mail.

Please make checks payable to the Town of Tyngsborough.
If paying by mail, send to the Tyngsborough Board of Health, 25 Bryants Lane, Tyngsborough, MA 01879.
