

You're invited...Please join us!

Regional Transportation Plan Public Input Sessions

Who: Anyone with thoughts, concerns or ideas about traffic and congestion, bicycling, pedestrian safety, public transit, and other transportation issues.

What: You are invited to help shape the region's long-term transportation plan! The Public Input Session will be in an open house format with stations where you can learn about the plan, provide feedback and suggestions, and fill out a survey.

We want to hear from you!
