

The meeting was opened at 6:00. The minutes from Sept. 10 were approved.

Pondview II— Things seem to be going smoothly except for the Nail Salon which is considering a semi-portable drainage system for removal of hazardous waste. Pondview II paving is scheduled for this week. Matt will continue to follow progress.

6:15 – 167 Scribner Rd. Require two variances as per letter. Siting of the system is difficult because of elevation. Jeff plans to use Presby system....to get 100 ft. from well. Matt has been working with Jeff on the plan and feels comfortable with the variances. The Board approved the variances with the condition that Matt will review the final plan.

6:30 – Maureen Wallace requested a variance so that she can practice chair massage at the Council on Aging. The Board approved an interim variance for Maureen to practice at the Council on Aging until she gets her Massachusetts license (sometime in '08).

We briefly discussed the possible advantages of staying independent versus staying with the four-town group.

The next meeting will be moved from Nov. 12 to Nov. 19.

Meeting was adjourned at 7:00.
