Lisa Parlee owner of the above residence did not show up for her requested scheduled 6:15 P.M. appointment.

Automated Pickup for Trash

The Board reviewed a draft announcement for automated trash pickup and made several recommendations and had a few questions as well.

1. Who is responsible for the record keeping of the serial numbers on the bins?
2. Add to the announcement that the container must stay with the residence if the property is sold or the tenant moves.
3. Residents may purchase an additional container for 6 or 12 month periods.
4. Keep track of the complaints
5. Request a video from Allied demonstrating how the new program will work
6. Be sure to put the notice in the N To N, website and cable television.
7. Will residents be required to sign confirming that they received the container?
8. How do we now handle bulky items?

The Board would like to kept informed on the progress of the advertising program.
