BH: 2nd the motion

Vote: All in favor

6:30 Health Agents Notes

KO mentioned the Whitmans Woods property of which a resident was complaining of heat issues. Looking further into the complaint, it was determined the property management was working on the heating system which was making some residents units have heating discrepancies.

KO also brought up our current protocol for Sharps Disposal in our Board of Health office. Due to an accidental finger prick resulting in an inappropriate container.
