Chairperson, Linda Geyer, called the July 1, 2008 meeting of the Community  
Preservation Committee (CPC) to order at 7:08PM.

**Agenda Item 1 – Recreation fields update.**

1. (EE) – We have spent all the money available on engineering plans for the  
Elementary School. We have five phases planned to develop the fields. We  
are only on the first phase. Funding is still to be determined. We have a person  
who is interested in donating the money for a football field. There is enough

topsoil on site to finish the project for all the fields. The first phase was the engineering plan. The second phase would include the football field. The other phases would include tennis courts, baseball, softball, and multi-purpose fields. Youth organizations have been saving moneys for maintenance of the fields. (AM) – There is plenty of demand in town for more fields in town from several different sports. (LG) – We would like to see a proposal at our August meeting.

### **Agenda Item 2 – Correspondence**

1. (LG) – Selectman’s meeting consulting group will be at the meeting the 28<sup>th</sup> of July 6:00pm at the town hall and invites members of the CPC to attend.
2. (LG) – The piece on Frost road next to the Camp Ground has finalized.

### **Agenda Item 3 – Historical Commission**

1. (WA) – I would like to see the proposal revisited for the town hall.

Motion to adjourn by (WA), 2<sup>nd</sup> by (KT) 8:45 PM. Voice vote: passed unanimously.

**Next scheduled meeting of the CPC is for July 23rd at 7:00pm at the Old Town Hall.**
