

# ADULT USE OF MARIJUANA IN TYNGSBOROUGH

## PUBLIC FORUM ON ZONING

We want to hear why you voted yes, and where you think marijuana establishments should go.

Come hear information on the adult use of non-medical marijuana. Questions and participation are encouraged. Discussion will be limited to regulating the “time, place and manner” of marijuana establishments to help draft by-laws and regulations for the town.

For more information contact Danielle Mucciarone
