

Welcome to Tyngsborough!

A WASTE REDUCTION GUIDE FOR NEW RESIDENTS

*This guide created by Sustainable Tyngsborough,
a subcommittee of the Board of Selectman*

Trash & Recycling Basics

TRASH: Collected every week on Monday. Use your red tote.

RECYCLING: Collected every other week on Monday. Use your blue tote.

A recycling calendar is included with this guide!

Tyngsborough's spends \$22/month/household to process our recyclables. Help keep these costs down by only placing bottles, jars, jugs and tubs + paper and cardboard in your bin.

Do NOT bag recyclables. No flexible plastic or plastic bags, styrofoam, toys or cartons in your recycling bin.

Visit www.RecycleSmartMA.org

Got leftover moving supplies?

The Postal Center at 440 Middlesex Rd will accept your clean bubble wrap, air pillows, packing peanuts and sheet-style styrofoam for reuse.

Composting & Organics

Start a backyard compost pile to turn your food scraps into soil.

Curbside service for a fee, Contact:
OffBeet Compost www.offbeetcompost.com
City Compost www.citycompost.com

YARD WASTE: Collection occurs 4x per year. Visit the Board of Health website for more info.

NEVER dump grass clippings or leaves within 30 feet of wetland areas or drainage culverts.

Move-in Basics

CARDBOARD: Dumpsters available at the Highway Dept (89 Kendall Rd) and the Middle School (50 Norris Rd)

TEXTILES: Simple Recycling will accept textiles, toys & household goods. Place pink bags curbside on your recycling day.
