

Where is my Ballot?

Voters who have requested an Absentee or Early Voting by mail ballot now have the ability to track their ballot through the Massachusetts Secretary of State's website at

FAQ's:

Who can track their ballot?

All registered voters in Massachusetts will automatically receive an application to apply for a mailed ballot. Voters may return these applications in order to receive a ballot by mail, or may choose to vote early in-person or on Election Day. Mailed ballots may be returned by mail or delivered to the official ballot drop box located at the front left of the Town Hall. If you have requested a mailed ballot, no matter how you return your ballot, you may track its progress and know when it has been safely received for counting!

How does Track My Ballot know where my ballot is?

Track My Ballot takes the information directly from the Voter Registration Information System that is used by all towns and cities in Massachusetts, the same information the Town Clerk's office uses to track the ballots it issues and receives back.

I cannot find any record of my ballot, but I know I applied?

Please contact the Town Clerk, because your application may not have been received.

If you have any trouble accessing the Track My Ballot System, or have any other Election questions, please call the Town Clerk's office at 978-649-2300, ext. 129.
