Town Administrator's Report

Dear Board Members:

I am pleased to report the following updates from Town Hall and throughout Town:

- Senator Warren will soon begin accepting requests for Congressionally Directed Spending (CDS) for the FY2023 Senate Appropriations process. CDS requests are designed to identify high-impact projects in Massachusetts that can reach completion with assistance from the federal government. The deadline to apply is April 15th. The Sewer Commission is interested in applying for Phase 3 construction funding. Administration has asked other departments if they have projects that would meet the criteria. Brick and mortar construction projects are unlikely to be funded. In FY22, our Sewer Department Phase 3 design funding was authorized.
- The Flint's Corner project is expected to break ground on their first foundation this month.
- The Blue Ribbon self-storage project has started and much of the elevator shafts and exterior walls have been started.
- Modest Roots Brewery is in the process of brewing their first batch at their new Industrial Way location.
- 440 Plaza has begun work with the sewer connection.
- Street Sweeping will begin in the first week of April.
- Newport Construction has been on Jacques Road resetting curbing and will be starting the final coat of paving soon.
- The patch project will start in April and will include patches on portions of Cummings Road, Locust Ave, Coburn Road, Parham Road, and the lower portions of Althea Ave and Louis Ave.
- RAE Contracting is hoping to start the veteran's memorial project in a few weeks. This project will conclude by mid-May and will be rededicated as a part of the 2022 Memorial Day festivities.
- In an effort to inform Tyngsborough residents prior to the proposed school building vote on May 3rd, School Principal Chris Pollet is offering guided tours of Middle School on Wednesday, March 30th from 6:00-8:00 p.m. and Saturday, April 2nd from 9:00-11:00 a.m.

Assistant Town Administrator's Report

- I am happy to announce that we have secured two CART providers to once again provide closed captioning for the upcoming Annual Town Meeting. We received a lot

of positive feedback after providing it for the Fall Special Town Meeting and our intention is to provide that at all Town Meetings moving forward.

- Our office will begin coordinating the Annual Appointment process in the next few weeks. Residents who are interested in serving should keep an eye out for a posting on our website and in the neighbor to neighbor about seats up for appointment on the various boards & committees in Town.

Regards,

Matthew J. Hanson
Town Administrator

Colin F. Loiselle
Assistant Town Administrator
