Town Manager's Report

Dear Board Members:

I am pleased to report the following updates from Town Hall and throughout Town:

- Thank you to the residents who attended the 2023 Annual Town Meeting on May 2nd. The meeting successfully reviewed and voted on all articles in one night.
- The Local Election will be held on Tuesday, May 16, 2023 – Polls Open 7:00 AM to 8:00 PM. In April, the Attorney General's office informed the Town Clerk that early voting hours were not approved as part of the town's bylaw. The reason being is that the Select Board may now establish early voting hours in a municipal election only after receiving a request from 50% of the town's registrars. This is G.L.c. 54 s 25B (c).
- Dracut Water District has agreed to hold a hearing to discuss the Town's request for a S&D fee waiver for the Tyngsborough Middle School project. The hearing will be either May 24th or June 14th and should be confirmed by the end of this week.
- RFQ responses from Adult Use Marijuana Retailers who are interested in obtaining a Host Community Agreement in Tyngsborough are due on May 18th at 4PM.

Regards,

Matthew J. Hanson
Town Manager
